

## Primary School Planner - Second year of English

| UNIT | TOPICS                 | ACTIVITIES  | GAMES  | MATERIALS                                 | HANDOUT LINKS                        | PROJECT IDEAS   |
|------|------------------------|---|--|---|--------------------------------------|---|
| 1    | 1-20                   | 1. Counting round the class<br>2. How many chairs can you see? etc.   | Bingo  | Bingo grids                               | <a href="#">11 – 20 wordsearch</a>   | Group posters. They draw numbers and objects e.g. 12 and 12 cars next to it.                      |
| 2    | clothes                | What are you wearing?<br>Who's wearing blue shoes?  | Lexis – see <a href="#">games for class</a>  | Magazines, scissors, glue, card           | <a href="#">englishbanana.com</a>    | Fashion. Groups make fashion posters using cutouts from magazines                                 |
| 3    | shops                  | Groups make a big plan of a town with roads. They drive a toy car to a place and say - Where am I? At the station.  | Teacher says to class - Drive me to the supermarket, and each group drives there in the toy car. | Card, colours, toy cars.                  | <a href="#">shops</a>                | At the end of the topic, the town plans can go on the wall  |
| 4    | weather and seasons    | Groups do a weather map of their country and clouds and suns etc to place on the map with bluetack. They ask the teacher - What's the weather like in Chiang Mai? | Mime game to guess the weather or season.  | Card, rulers, scissors, colours, bluetack | <a href="#">englishbanana.com</a>    | The best map can go on the wall and the studes have to update the weather conditions every class. |
| 5    | The Time, o'clock only | On a learning clock, teacher sets the time, then flashes it very quickly at class. See who gets it.   | What's the time, Mr Wolf?  | card, colours, split pins, compass        | <a href="#">englishbanana.com</a>    | Studes make their own clocks using split pins.  |
| 6    | in, on, under          | Teacher puts a rubber in, on or under a cassette box behind a folder. Studes have to guess where it is. Find out who has magic powers                             |  |   | <a href="#">In on under gap fill</a> |   |

**The Point System** Have elections each term for team captains, who then handpick their teams. Prize for winning team at end of term. Points off for bad behaviour - you'll never have to shout again!
