There is and There are Exercise

There is a gorilla skating on the lake
There aren’t any spiders in my pocket
Are there many monkeys in your classroom?
There isn’t any danger on that island

A Use the correct form of **there is** and **there are** to fill the gaps. Be careful with the negative sentences.

1 ................................ a lot of traffic in Valencia.
2 ................................ anywhere to park around here?
3 ................................ much sugar.
4 ................................ enough time to finish?
5 ................................ a few bananas and a few apples.
6 ................................ only one way to solve this problem.
7 ................................ anyone here who wants to volunteer?
8 ................................ many tigers left in the world.
9 ................................ a lot of information available on this issue.
10 ................................ any public buses in Los Angeles?
11 ................................ a giant monkey outside my window.
12 ................................ any snakes in your garden?
13 ................................ any danger on that side of the island

B Now write some examples of your own.

1 ......................................................................................................................
2 ......................................................................................................................
3 ......................................................................................................................
