

Sight Words

A **sight word** is a word that we read automatically without thinking about the word's spelling or meaning, for example "there, their and they're". We need them to read clearly and smoothly.

A One syllable sight words

Read the list aloud to your teacher. Mark a word if your teacher goes "beep"

all	can	good	if	much	out	them	were
an	come	had	in	my	put	then	what
and	day	has	is	new	said	there	when
are	do	have	it	no	see	they	which
as	down	he	just	not	she	this	who
at	eat	her	know	of	so	three	will
be	for	here	like	old	some	two	with
been	from	him	long	on	take	up	work
boy	get	his	make	one	that	us	would
but	give	how	man	or	the	was	you
by	go	I	me	our	their	we	your

Now add the "beep" words to the chart below

B Two syllable sight words

Read the list aloud to your teacher. Mark a word if your teacher goes "beep"

about	any	better	early	happy	myself	people	today
after	anything	birthday	every	letter	never	picture	under
again	apple	brother	farmer	little	o'clock	present	until
along	around	carry	father	longer	only	pretty	very
almost	away	chicken	flower	many	open	rabbit	water
also	baby	children	funny	money	other	second	window
always	because	Christmas	garden	mother	paper	seven	woman
another	before	color	giving	morning	party	sister	yellow

Now add the "beep" words to the chart below

C Record here the words you have had difficulty with.
