

## **Rooms of the House Song**

### **Verse 1**

In the bedroom  
there are socks.  
In the study  
there's a clock.  
In the kitchen  
there are bowls.  
In the garden  
there are gnomes.

### **Chorus**

My house is  
very neat.  
My house is  
my retreat.  
My house is my  
place of peace so  
come on and visit  
my house.

### **Verse 2**

In the bathroom  
there's a duck.  
In the attic  
there's a trunk.  
In the toilet  
there's some soap.  
In the garage  
there's some rope.
