

# **My Town**

## **First Part**

The baker's is opposite  
the mall.

The take-away's next to the  
town hall.

The phone shop's in front of the  
bus stop.

The greengrocer's next to the  
shoe shop.

## **Second Part**

Sports centres,  
cinemas,  
libraries,  
and schools.

These are the  
things that make  
my town  
so cool.
