

## **What Are You Doing? Song**

### **Part 1**

What are you doing?  
I'm having fun.  
What are you doing?  
I'm making lunch.  
What are you doing?  
I'm speaking French.  
What are you doing?  
I'm making friends.

### **Part 2**

What is she doing?  
She's drinking tea.  
What is she doing?  
She's eating cheese.  
What is she doing?  
She's sitting down.  
What is she doing?  
She's leaving town.
