

Mobile Phones

Introduction

"In groups of four or five, you are going to prepare a presentation about mobile phone options. Some example topics are" :- (write on board)

The deals with the best free phones
The cheapest options
The best all round deals
The luxury option
Iphone or Galaxy
Using Skype and Whatsapp

Brainstorm more ideas with the students.

- "You have 3 sessions to prepare your presentation, including today."

- "Each student has to prepare 2 slides and speak for 2 minutes. You are not allowed to read from notes."

- "You will be assessed on the following":-

Your ability to work in a team
The quality of your slides
Digital communication skills including the sending of emails and attachments to the teacher
Ability to give advice
Use of presentation English
The overall coherence of your presentation
Peer assessment

SESSION#1

Form groups of 5
Plan your topic
Decide on:-

A team leader
A communications officer (in charge of sending emails)
Presentation coordinator (in charge of putting together the presentation and slides)

Homework

The communications officer sends an email to the teacher and other team members saying:-

who is in the team, who is the captain, who is the presentation coordinator
the topic of the presentation

SESSION#2

"Today you need to finish planning your presentations and ask the teacher about any expressions you may need. You also need to work on the design of your presentation and decide who is going to speak about what."

Homework

The communications officer sends a copy of the presentation to the teacher as an email attachment.

SESSION#3

Groups give their presentations to the class. At the end of each presentation, there are 2 minutes for questions and peer assessment.
