Dear Samantha,

Thank you for your email about your town. I live in Valencia in the east of Spain. Valencia has everything! In the old part of the city, there are a lot of restaurants and beautiful buildings with a castle called Las Torres de Serrano. There is a river in front of the castle. It's strange because there isn't any water in the river. It's a park! In the park you can visit the City of Arts and Sciences. It's fantastic! It's got a 3D cinema and a very big aquarium. Also, Valencia has a port and a beach where you can eat paella. In the modern part of the city there are a lot of fantastic shops.

Please reply soon.

Bye, Jorge.
